Dear Parent/Guardian:

Urban transportation registration is now open and we are accepting 2018-2019 Urban Transportation Registration Forms. These forms are being sent to all eligible urban riders. Urban Transportation Registration Forms need to be completed annually in order to receive school bus transportation. Eligibility criteria is described near the bottom of the form. Distances are determined by a CESD Transportation Mapping System which has been approved by the provincial government. All applicable fees must accompany this form before it will be processed. You are asked to have these forms completed and sent in by June 8th, 2018. We need them as early as possible so that we can ensure that the appropriate busing resources are in place.

We ask that Urban Transportation Registration Forms only be completed for students who need to access transportation. We typically have more requests than seats and have found that, over the years, not all students who have forms completed ride the bus. This takes away a possible seat for a student who does need to ride. Please do not complete the form unless you will be accessing school bus transportation.

Bus passes will be sent directly to the schools in late August and will be available at the start of school. Passes will be required in order to ride the bus. There will be a 10 day grace period at the start of the school year in case some riders are not able to get their passes before school begins.

We have a new "Parent Portal" that we would like parents to use for urban busing information. Busing information for the next school year will be available after August 15th, 2018. If your child is registered on an urban bus in the town of Sylvan Lake, Olds, Innisfail or Carstairs, you will be able to view their busing information on-line at the Chinook's Edge School Division website. You go to Quicklinks, then Transportation, and then Shuttles/In-Town Busing. Many of you have already accessed the Parent Portal but if you have not, the following directions are posted on that site as well as the link to My Bus Stop.

USER NAME AND PASSWORDS ARE DEFAULTED TO YOUR CHILDS ALBERTA ED STUDENT IDENTIFICATION NUMBER (you will be prompted to change the password on your first login)

By signing in to this link you can view bus route information, bus stop, and pick up and drop off times for all of your children

To help guide you for the first time once you have signed in simply click on "Work with students" and then "View my students"

We encourage you to check the My Bus Stop link shortly before the start of school to ensure you have up-to-date information on bus stop times.
