

400 Hour Pre-Kindergarten Calendar Considerations

Schools may choose to modify student attendance on calendar days to include "Parent-Child Engagement sessions", described as "demonstrations of skills and strategies to parents and/or caregivers" up to a maximum of 80 hours (20%) of instructional time.

Schools with Code 30 children participating in Pre-Kindergarten will require an additional 30 minutes of "teacher-directed instruction" each student attendance day to ensure 475 hours of instruction. This 30 minutes of instruction will be assigned to the LST or administrator and supervised by an EA. Individual student plans and supports will be developed in collaboration with Student Services.
