June Principal's Message:

It is hard to believe that we are approaching the end of another school year. We feel very fortunate to be a part of such an exceptional community. On behalf of all of us here at ÉOES we would like to extend a very sincere thank you to our students, families and community for all of your support and assistance throughout the year. We feel honored to spend our days with the students at ÉOES and appreciate the wonderful community we are a part of.

We have had an amazing year of classroom learning, special events, student performances, and trips around our community and beyond. Each and every day we watch our students and staff go above and beyond the expectation. Our classrooms are filled with exceptional experiences where students are truly engaged in meaningful learning. They are challenged, encouraged and have adults and peers who believe in them.

As we finish the 2024-2025 school year, the staff of ÉOES want to wish each of you a wonderful summer. Enjoy the sunshine and extra time with family and friends!

Sincerely,

Alanna Sampson, Principal

Physical Education Update for June 2025

Mr. Kish

Wow! Is it really June! Hard to believe we are a few weeks away from summer time! These last few weeks have been exciting, it seems like students' energy levels double when the days are longer and the weather warmer...or maybe it's the excitement of holidays.

Sports Day Fun Day - Wednesday, June 4 (Rain or Shine)

Activity Stations 10:00am to noon and 12:30pm to 1:30pm

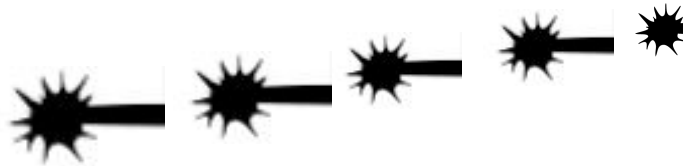

If you are new to our school the format of Sports Fun Day is to allow our students freedom to move around with their friends visiting activity stations and enjoying the fun day that teachers have prepared for them. Stations can be quiet like crafts, games, puzzles, etc or energetic like races or sports. The Mission Impossible Game will also be a station.

Mrs. Hoppins Grade 8 Leadership students and Home Room Class are invaluable as they run extra stations for our students to enjoy! They have been a large part of the success for our Sports Days for many years and we Thank them so much!

The Parent Council Team and Olds High School students will once again provide the Fabulously Popular Face Painting Station! Every year the face painting artwork is simply amazing!

Cotton Candy is BACK!!!!!! Please check with your teacher for details.

Curriculum Focus

**MISSION:
POSSIBLE**

We have been enjoying the ever popular **Mission Impossible Game** in the gym. Quite likely your child might have mentioned it. The Mission Impossible Course is designed to challenge student's skills and abilities in order to complete a variety of challenge stations safely and successfully. Players have to work through different Levels of difficulty each week. It showcases all of the physical literacy skills that kids are continually developing as they grow, move, and play. It is also a TEST of FOCUS for students because they must be quiet while participating which at the end of the school year is almost "impossible" LOL.

Grade 3 and 4 students help our Kinders learn the Mission Impossible Game each year which turns out to be one of my favorite things to watch and enjoy.

Gymnastics will begin after Sports Day until the end of the year. This is always a favorite time as we often have guest gymnasts spend some days with us working on gymnastics skills. I truly believe gymnastics is the greatest developer of coordination, strength, and flexibility for children. In our Gymnastics lessons we will learn and practice many floor elements including; the handstand, stork stand, tuck jumping, forward and backwards rolling (somersault), cartwheeling, leapings, and landings. We will also use the bars to learn pullovers, front supports, skin the cat pike, and a front rollover dismount. For the balance beam we will learn how to walk the beam with balance, do a pivot turn, and perform a simple dismount. Many students who have advanced skills can do a round off dismount or cartwheel dismount from the beam.

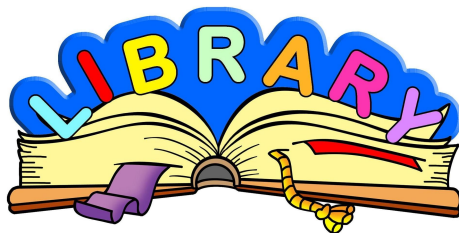

That pretty much wraps up another great year in the gym with your kids! Thank you for supporting the Physical Education Program each year!

I hope everyone has a wonderful summer!

**PLEASE

From the Music Room for June 2025

Mrs. Koch

Dear Families:

Happy June! There are so many fun things happening in the music room as we approach the end of the school year.

Friday June 6 the choir will be performing for the school at 2:00 pm. Families are welcome to join us for this small celebration but we will also be filming it for our google classroom for anyone who can't make it.

Our choir also performed for the graduating class along with the choirs from Deer Meadow and Olds High and they did an awesome job. Congratulations to all the choir students who worked so hard this year to make a joyful sound!

Last month our grade fours performed in their farewell assembly showcasing all the skills they've acquired during their time at Ecole Olds Elementary School. We're so proud of our grade four class and wish them all the best of luck as they move on to Deer Meadow in a few short months.

June is the time that as educators we reflect on how much growth we can see in our students. In the music room I am awed to see how much our students have learned and grown. This month we are reaping the rewards of all our hard work as we sing favorite songs and play favourite games.

Although we have a lot more fun to have this month- I do wish all our families a beautiful, restful and healthful summer. Enjoy the sunshine and the time together as families- and we'll see you back here in the fall.
